

PROFESSIONAL OVERVIEW

Motivated computer science student with hands-on experience in front-end and back-end development, database management, and real-world project work through industrial training. Eager to apply technical skills, learn continuously, and grow in a professional environment.

INDUSTRIAL TRAINING

Actecal Pvt .Ltd | Jun-2025 to July 2025

Duration: 1 Month

- Completed **one-month industrial training** gaining hands-on experience in **full-stack development**, including frontend-backend integration, database connectivity, and **Git version control**.
- Worked on **real-world mini projects**, improving skills in team collaboration, debugging, and basic deployment processes.

Key Learnings:

- Basics of full-stack development (HTML, CSS, JavaScript, React, MySQL)
- API handling and data management
- Code versioning using Git and GitHub
- Understanding of software development life cycle (SDLC)
- Improved problem-solving and teamwork skills

Projects

1.Hospital Management System — *React.js, Node.js, MySQL*

Duration: 1 Month (During industrial training)

- Developed a **full-stack web application** to manage doctors, appointments, and patient records.
- Implemented **CRUD operations** with form validation and MySQL database integration.
- Built a **responsive dashboard** with search, filters, and modal-based forms using backend APIs.

2. Collage-web — *React.js, Python(FAST API), MySQL*

Duration: 1 Month (For College Project)

- Developed a **full-stack college website application** using React frontend and FastAPI backend.
- Implemented **RESTful APIs** for students, teachers, users, and gallery management.
- Built a **dynamic image gallery module** (Events, NSS, Sports) with image upload and category-based display.
- Designed a **scalable and modular backend architecture** following real-world API practices.

3.My Personal Portfolio Website - React.js ,HTML, CSS, JavaScript

- Designed and developed a **responsive personal portfolio website** to showcase projects, skills, and contact information.

EDUCATION

DIPLOMA(CSE)3rd Year

Government Girl's Polytechnic Almora

CGPA: 80.9

12th

G.I.C. Dashaula Badiyar, Almora

Percentage% :79.8

SKILLS

- Communication
- Teamwork
- Time management
- Leadership
- Adaptability

PROGRAMMING SKILLS

- C,C++
- Java programming(Basics)
- Javascript
- React.js
- Node.js/Python
- SQL
- Data structure & Algorithm

LANGUAGE

- Hindi
- English

TOOLS

- Git , GitHub
- Vs Code
- Cursor (AI tool),ChatGPT
